# Post Construction Inspection

**Project:**

\_\_\_\_\_  
Name Location

This document is to serve as a final report and agreement between IMPACT Climbing and \_\_\_\_\_ that at the time of its signing IMPACT Climbing has completed the installation and training as necessary for the product.

Note: Not all Courses/Climbing walls will contain every product listed below. It is up to the installer and Manager/Representative of \_\_\_\_\_ to check the products applicable to the climbing wall(s)/ elements installed

## CLIMBING WALLS/ELEMENTS

- All climbing walls and additional elements were installed according to approved design \_\_\_\_\_
- All elements were shipped to site prior to installation \_\_\_\_\_
- Any missing elements have an expected arrival date \_\_\_\_\_
- Belay systems are installed and functional \_\_\_\_\_
- Staff training on installed equipment was provided if required or requested \_\_\_\_\_
- Climbing holds have been installed and it has been communicated how to modify in the future \_\_\_\_\_
- Other: \_\_\_\_\_

## CONSTRUCTION

- Constructed to match approved design \_\_\_\_\_
- Location of walls in approved location unless obstacles on site prevented proper placement \_\_\_\_\_
- Any revisions to design or placement were clearly communicated \_\_\_\_\_
- Anchoring of walls (footers/overhead anchors) \_\_\_\_\_
- Final walkthrough and gathering of all tools and materials used during the installation of climbing walls/elements \_\_\_\_\_

## SITE CONDITIONS

- Has the work-site / course area been returned to operational condition? \_\_\_\_\_
- Has all trash and shipping waste been properly removed and disposed of? \_\_\_\_\_
- Have all return items been boxed or palletized and placed in an acceptable area for pickup at a \_\_\_\_\_
- later date with a packing slip filled out? \_\_\_\_\_
- Are we leaving you with all your expectations satisfied? \_\_\_\_\_

By signing below I \_\_\_\_\_ agree that IMPACT Climbing has completed the above tasks for the applicable product(s) built at \_\_\_\_\_ for \_\_\_\_\_ . Any and all modification/installation/training done after the date / / outside of warranty will be considered a change order and billed accordingly.
